yourLIFE

your lab results

Reliable results are delivered directly to you, the patient. Not to your doctor, not to your insurance company, not even to your family.

Worried about your nutrition or any vitamin deficiencies? Come in for our nutrition panel and check your levels of Vitamin D, Vitamin B12, Vitamin C, Magnesium, heavy metals and more.

Insurance card not necessary.

Are you ready to take control?

Call InOut Labs today with questions and to take the first step towards confidentially knowing your health status!

safe, confidential testing

Insurance Physical

Life insurance physical coming up? Haven't seen a doctor in a while? Our life insurance physical panel includes the same tests as the insurance company, but totally off the record. Find out now—before it counts!

STDs

An STD test is your business. Most tests come back negative, but sometimes you need to make sure. We offer confidential testing, and the results go directly to you — not your doctor or your insurance company.

Hormones

Whether menopause or Low-T, many adults have hormone concerns. Get answers now, before that awkward conversation with your doctor.
